Co-sponsored by the Mount, Halifax Baha'i Community and Sisters of Charity

**Directions to the venue:** Rosaria Centre Multipurpose Room, MSVU

The location is in Rosaria Student Centre at Mount Saint Vincent University. Coming from Halifax, take the Bedford Highway. Turn left on Seton Rd., which is immediately before the Mount campus. (Coming from Bedford, it is immediately after.) Driving up the long hill, the first sign you will see on the right is for the Rosaria Student Centre. Turn in here. There is parking in three different lots below the Centre. Parking is free on Sunday.

Walking toward Rosaria Centre from the parking lot, there is a door on the end, and on the right side of the building. The side door will be the most convenient for you. However, there will be signs at both doors to help direct you.

The event is in the **Multipurpose Room, #302** – one flight up from the main floor.

If you require wheelchair accessibility, there is a ramp coming in either door, and there will be signs to direct you toward the elevator.

If perchance there is no parking available below Rosaria Centre, you could go back out to Seton Road, and park either at Assisi or Evaristus Hall (the next two rights). This will be better than parking below at Seton, as you will have less of a hill to climb. There is an entrance to Rosaria which faces Evaristus. There will be signs directing you from this door as well.
